### CONFERENCES & BANQUETS

- Nine flexible and intelligently designed conference rooms for small meetings, seminars or large congresses for up to 850 guests, all featuring natural daylight
- The 743m<sup>2</sup> ballroom, fitted with high quality parquet floors, has a six-metre-high ceiling. The ballroom can accommodate up to 360 guests in classroom style and can be divided into two separate rooms of different sizes
- Natural daylight falls through generous windows, which can be opened and darkened
- The organically shaped sculptures of the Korean artist Jae Hyo Lee offer space within the breaks for buffets, and they are an ideal location for gatherings and discussions
- Original, contemporary art objects are shown in all conference rooms
- The meeting floor can be reached directly from the underground car park; no public access
- Analogue and ISDN telephone connections
- Wireless Internet connectivity throughout the entire hotel
- Air conditioning
- Fully automated coffee machines and mini-bars for self-service
- Permanently installed screens in all meeting rooms
- Permanently installed video beamers in all rooms (except Ballroom B and the Library)
- Easy-to-use control panels for lighting system and blinds in each room; spotlights
